

Berthold Farmers Elevator LLC, Grain Check Policy

April 16, 2018

Berthold Farmers Elevator LLC will be implementing a new grain check writing policy starting April 16, 2018. This policy relates to producers having BFE LLC write checks to those not listed on the scale ticket.

-No check will be written to anyone not listed on the grain ticket, if there is a Grain Lien tied to the scale ticket. The only exception would be a check made to a trucking company.

-For checks written to anyone not listed on the grain ticket, we require a signed Form designating who and how much money will be transferred. This includes payments made to trucking companies.

If you have any questions please contact Dan at the elevator.
